About Susan Murray

Susan Murray, B. Ed (90), M.Ed '02 (Hons), is a Senior Education Officer for Human Resources with the Newfoundland and Labrador English School District. She has over 20 years of practice and progressive responsibility in her field. She is a nationally recognized leader with strong knowledge of provincial and national education systems and a passionate advocate for professional learning. Susan is currently pursuing Doctoral studies with a research focus on leadership development.

Susan has multiple personal and professional qualities which make her a valuable team member in any environment, and which make others want to work with her. She has proven to be the very definition of outstanding.

Jon Powell,
Principal,
Canada's
Outstanding
Principals

Susan is the consummate and committed educational leader. She has an inquiring mind, blending research and practice with curiosity and a willingness to explore new strategies and avenues. An accomplished and compelling presenter, Susan is well respected across Canada and beyond.
